### OUR VISION

We will be a model of excellence and integrity in providing high quality staff, programs, services, training and work environments in order to serve those in need of greater independence.

### OUR PURPOSE

The primary purpose of UVAH is to help people with disabilities meet their full potential as individuals and productive citizens in our community. We do this by providing a wide range of services, a supportive environment and by educating and involving the community in an effort to integrate people with disabilities into community life.

We provide assessment, employability development, social development, follow-up and additional support services to improve the social and economic independence of people with disabilities.
